

***MDOT cordially invites you to take a walk on the "wild" side
at the I-94 Widening Wild Fun Run/Walk***

**Tuesday, September 30, 2008
9 a.m. until 11 a.m.**

The I-94 widening project is nearing completion! Residents from near and far are welcome to join MDOT in a once-in-a-lifetime opportunity to view the I-94 widening project from atop the new bridges at the I-94/US-131 interchange. You can walk or run on the newly reconstructed lanes and ramps. At 9 a.m., a short dedication presentation will be made, after which a "wild" fun run/walk will commence. Walkers and runners will follow a "wild" one-mile course that starts near the presentation area, heads easterly on the newly reconstructed ramp to eastbound I-94 towards Oakland Drive, and loops back west on the newly constructed eastbound lanes to the finish line located within the I-94/US-131 interchange.

To get to the parking area for this event, take northbound US-131 to the closed eastbound I-94 ramp. An MDOT vehicle will be stationed at the entrance of the closed ramp to further direct you. Additional MDOT staff will be on hand to direct you through the project toward the parking area, which will be located on the ramp from northbound US-131 to eastbound I-94 ramp. Upon completion of the event, all vehicles must exit the area via the new eastbound I-94 lanes near Oakland Drive. Please drive with caution. See attached map for more specific information.

If you need special accommodations, please contact Trischa Carr at 269-375-8625.

It's sure to be an exciting and fun adventure!
